MEDITATION: One thing we notice in life is that even when children don't listen to what we say, they usually imitate what we do. At the heart of this is a reminder that people—not just children can't deny the "words" our actions speak. ~ *Katara Patton*

The Solitary Star

'Twas early in the morning
Before the break of day
That I looked out my window
And felt the urge to pray.
For there I saw a starlet
Almost too small to see;
And yet it seemed this starlet
Was winking just at me.
As small as was the starlet,
It made me think of the One
Who brightened up the heavens
At birth, God the Son.
